

# Schedule Change Request

Priority is given to schedules that are missing classes or if students are placed in the wrong "core" class (English, Math, Science, or History).

We are not changing schedules to accommodate lunches.

**Due to budget constraints, schedule changes that are not listed as one of the priorities may not happen.**

Before you fill out this form, please know that you may have received some of your "alternate" choices. If you received your "alternate", your schedule is unlikely to change.

*\*Your request may not be accommodated due to full classes.\**
