

# PARENT MEETING

for

**Rising 7th and 8th grade students**

**Date: January 31, 2018**

**Time: 6:00—7:00 p.m.**

**Location: HCMS Cafeteria**

**This is a great opportunity for parents to learn about courses that will be offered for the 2018-2019 school year and to ask questions.**

**Students will watch an elective video during advisory on January 29, 2018 to learn about all of our elective opportunities. In addition, we will have course description guides posted on the counseling webpage along with other important transition information. Please take some time to peruse our webpage for some valuable information.**

**Students will be signing up for classes the week of February 5th through his/her science class. Please make sure you have talked with your child prior to registration so he/she knows what classes to take.**

**If you have any questions, please don't hesitate to contact us! Remember, we move up with our students, so your child will have the same counselor for the 2018-2019 school year 😊**

**Danielle Wiest**

**6th Grade Counselor  
dwiest@eanesisd.net**

**Todd Huber**

**7th Grade Counselor  
thuber@eanesisd.net**
